

DESERT WOLF SECURITY

About Us

Desert Wolf Security Inc is a veteran-owned private security company providing armed and unarmed guard services, patrol operations, access control, investigations, executive protection, and emergency response support for government, commercial, industrial, and critical infrastructure clients. Established in 2017, the company combines military, law enforcement, and private security experience to deliver responsive, mission-focused security solutions that protect personnel, facilities, assets, and operations in dynamic and high-risk environments.
